

**OCHOA current checking: \$10,965**

**OCHOA Reserve CD: \$11,438**

**Absolute max available: \$5000**

**CER Options for Area 1:**

**Cut area every other mowing (year) \$750**

**Natural wood chips: \$1750**

**Grind stumps, add topsoil, grass: \$2500**

**If volunteers can clear brush and debris in areas 1,2 and 4, but leave removal, stump grinding and seeding to CER, could save some money.**

**Can we do this? Will enough people help?**

**If it happens, should we have CER redo quotes minus clearing?**

**CER quote (2)  
\$3500
